## Men's Bamboo Lightweight Hoodie

LWH | \$68

The Bamboo Lightweight Hoodie is an ultra-lightweight layer built for long days on the water—equipped with a crossover hood and thumbholes for ultimate all-day sun coverage. Incredibly breathable and naturally odor-resistant, it offers a UPF 20+ rating so you can handle hours of hot and humid conditions when you're out there fishing the flats.

### FEATURES:

- UPF 20+
- Ultra-lightweight construction
- Left chest pocket for storing your shades
- Crossover hood for complete neck coverage
- Thumbholes keep sleeves in place
- Size Range: S-XXXL

### MATERIALS:

- Ultra-soft, breathable knit
- 70% Viscose from Bamboo / 30% Polyester
- 145 gsm

## Men's Bamboo Shade Hoodie

**MSDH | \$74**

The Bamboo Shade Hoodie is buttery soft, loaded with stretch, and offers natural odor-resistance suited for travel or an active lifestyle. It's also temperature-regulating, so it'll keep you that just-right temp when the forecast (or your office A.C.) throws you for a loop. It's got a handsome drape and clean lines that go well with both your everyday and active wardrobes. Bonus: it makes a solid base layer when chilly temps roll around.

### FEATURES:

- UPF 50+
- Lightweight design doesn't weigh you down
- Four-way stretch material
- Fitted hood won't block your peripheral vision
- Set-forward shoulder seams
- Thumbholes keep sleeves in place
- Size Range: S-XXXL

## Men's Bamboo Lightweight Long Sleeve

**LWL | \$58**

Meet the OG shirt that put us on the map. Tired of heavy, sticky, overbuilt "performance" clothing, we hunted down the perfect lightweight fabric—crafted from bamboo—and built our first insanely soft and simple shirt: the Bamboo Lightweight Long Sleeve. That was back in 2011, and it's still a bestseller to this day. Buttery soft, lightweight, and equipped with a UPF 20+ rating, it's the perfect layer for all your sun-soaked adventures when shade is hard to come by.

### FEATURES:

- UPF 20+
- Ultra-lightweight construction
- Breathable fabric keeps you cool
- Streamlined crewneck design
- Ribbed collar keeps its shape
- Set-forward shoulder seams
- Size Range: S-XXXL

### MATERIALS:

## Men's Bamboo Flex Polo II

**MFXPOL | \$78**

Our Flex fabric might be from the future. With a luxe, weighty drape, mind-blowing softness, and a laundry list of performance benefits like temperature regulation, UPF 50, and four-way stretch? Yeah, definitely from the future. The Bamboo Flex Polo II is a style-forward update to the original, with slight tweaks that make a big difference: like reduced collar and placket lengths, updated buttons, and a premium woven label at the side seam. Dress it up or down, thanks to the premium weight and feel.

### FEATURES:

- UPF 50+
- Naturally odor-resistant
- Four-way stretch material
- Three-button placket for adjustable ventilation
- Reinforced collar
- Set-in sleeves for a classic fit
- Athletic side split detail
- Size Range: S-XXXL

## Men's Waffle Quarter Zip

**MWQZ | \$108**

Say goodbye to your dad's rough, scratchy waffle thermal and hello to our men's Waffle Quarter Zip, engineered for comfort. Waffle knits have been an outdoor staple for generations for a reason—the baffled fabric provides both airflow and insulation. We made ours from a thoughtfully crafted lyocell blend with a buttery soft feel that's kind to both your skin and the outdoor spaces you're exploring. We added a zipper for easy temperature control so you can wear it on its own as a baselayer, or toss it over a t-shirt as a transitional layer.

### FEATURES:

- Waffle texture creates next-to-skin softness and insulation
- Premium weight gives it a nice, luxe feel
- Four-way stretch material
- Stand-up collar for a classic, athletic look
- Quarter zip construction lets you cool off or keep warm
- Integrated cuffs
- Size Range: S-XXXL

## Men's Gridback Fleece Snap Pullover

**MGBFPL | \$148**

One of the most coveted styles around Free Fly HQ, the Gridback Fleece Snap Pullover is an absolute winner—an innovative combo of classic fleece comfort and streamlined weather-resistance. Our product team worked their fabric sorcery and outfitted the interior with an indulgently soft, high-pile fleece that traps and retains heat throughout gridded channels. They finished it with a bonded, stretch-weave shell that keeps out rain and wind unlike any other fleece. Wear it as an outer layer on brisk hikes, early morning boat rides, or pair it with jeans for your next beer garden visit.

### FEATURES:

- Cozy high-pile warmth for next-to-skin softness
- Wind-resistant design stands up to brisk chills
- Four-way stretch material
- Five-button placket for adjustable ventilation
- Stand-up collar for a classic, athletic look
- Set-in sleeves for a classic fit
- Size Range: S-XXL

## Men's Cloudshield Rain Jacket

**MRAIN | \$248**

We just invented a new kind of rain jacket. Meet our whisper-quiet, 100% waterproof Cloudshield technology. Our Cloudshield Jacket gives you full waterproof protection, without the noisy, trash-bag like feel of most rain jackets. The fully seam taped, waterproof 3-layer (3L) shell features a quiet, matte face fabric, breathable waterproof membrane, and ultra-soft tricot backer for ultimate next-to-skin comfort. Structured, yet soft, you'll question its waterproofness the first time you try it—but reach for it every time the sky opens up. Layer it over our Lightweight Fleece or make it your go-to travel shell.

### FEATURES:

- 16,000mm waterproof rating
- Quiet design means no loud crinkling or swishing
- YKK Waterproof zippers prevent leaks
- Two-way stretch material
- Rear hood cinch for added stay-on security
- Zippered hand pockets
- Adjustable hem
- Tapered arms with articulated cuff
- Size Range: S-XXL

### MATERIALS:

## Women's Bamboo Slub Hoodie

**WSLH | \$68**

If vacation was a hoodie—it'd look a lot like this. Our Bamboo Lightweight Slub Hoodie has a super laidback, beachy feel thanks to the soft and airy slub fabric. Lightweight and breathable, it's the perfect layer for breezy beach days or nights around the bonfire. With anti-odor benefits, we love it for travel (when laundry is hard to come by) or popping over a swimsuit when we're headed to and from the beach. Pair it with jean shorts and a local beer to unlock full vacation mode.

### FEATURES:

- Oversized hood with canvas drawstrings
- Naturally odor-resistant
- Ultra-lightweight, breathable fabric
- Flattering and cooling v-neck
- Kangaroo pocket for stashing essentials
- Size Range: XS–XL

### MATERIALS:

- Textured slub knit with a weighty drape
- 67% Viscose from Bamboo / 29% Polyester / 4% Spandex
- 290 gsm

## Women's Bamboo Lightweight Long Sleeve II

**WLWLS | \$58**

Our Lightweight fabric made from bamboo is what put us on the map. Tired of heavy, sticky, overbuilt "performance" clothing, we hunted down the perfect lightweight fabric—crafted from bamboo—and built a lineup of insanely soft and simple shirts. The Bamboo Lightweight Long Sleeve II is the second generation of this women's style, now with an updated and super dialed fit. Buttery soft, super breathable, and equipped with a UPF 20+ rating, it's the perfect layer for all your sun-soaked adventures when shade is hard to come by.

### FEATURES:

- UPF 20+
- Ultra-lightweight and airy construction
- Highly breathable fabric keeps you cool
- Naturally odor-resistant
- High neckline for better sun coverage
- Unique thumbhole design for extra hand coverage
- Longer length for coverage
- Size Range: XS-XXL

## Women's Bamboo Shade Long Sleeve II

**WSHLS | \$64**

The Bamboo Shade Long Sleeve II is the second generation of this women's style, now with an updated and super dialed fit. Same indulgently soft and stretchy fabric. Same impressive 50+ UPF rating. Naturally odor-resistant, it's perfectly suited for travel or an active lifestyle. It's also temperature-regulating, so it'll keep you that just-right temp when the forecast (or the airplane A.C.) throws you for a loop. The weight of the fabric has a really nice, flattering drape to it, and you'll probably start to wonder why all clothes can't just be made from this stuff.

### FEATURES:

- UPF 50+
- Lightweight design doesn't weigh you down
- Four-way stretch material
- Streamlined crewneck design
- Set-forward shoulder seams
- Size Range: S-XXXL

## Women's Bamboo Motion Racerback Tank

**WBR | \$44**

The Bamboo Motion Racerback Tank is a Free Fly fan favorite and bigtime staff favorite. Fully loaded with natural performance benefits like odor-resistance and temperature-regulation, it gives you everything you want from an active tank, without the overly technical vibes. The buttery soft, four-way stretch fabric is a game-changer, with a nice drape that doesn't cling at all.

### FEATURES:

- UPF 40+
- Lightweight design doesn't weigh you down
- Four-way stretch material
- Naturally odor-resistant
- Flattering scoop neckline
- Racerback for full range of motion
- Longer length hits below hip for added coverage

## Women's Bamboo Lightweight Fleece Crew

**WLWFLC | \$88**

Diving head first into a pile of clouds. That's what this Lightweight Fleece Crew feels like. Unreasonably soft. Incredibly lightweight. The brushed fleece interior feels like a fluffy, cashmere blanket, while built-in stretch moves with you. Wear it with jeans for a sporty weekend look or pair it with joggers when you're getting comfy for travel. We didn't specifically design this super soft layer for sleeping in, but that hasn't stopped anyone around here.

### FEATURES:

- Lightweight design that's perfect for travel
- Cozy brushed warmth and next-to-skin softness
- Four-way stretch material
- Raglan sleeves for unrestricted arm movement
- Timeless crewneck design with ribbed collar
- Size Range: XS-XXL

## Women's Bamboo Northcoast Fleece Crew

**WNCCREW | \$108**

This substantial Bamboo Northcoast Fleece layer takes our bestselling Bamboo Lightweight Fleece and amps it up with a bit more structure and weight. The result? A heavyweight, buttery soft fleece crewneck designed for early morning strike missions and cold-weather pursuits. With all the slouchy coziness of a classic crewneck sweatshirt (plus a zippered pocket for safely stashing your essentials), the Bamboo Northcoast Fleece Crew is warm enough for winter's worst—and naturally temperature-regulating thanks to our innovative bamboo technology.

### FEATURES:

- Secure zippered pocket
- Naturally temperature-regulating
- Four-way stretch material
- Ribbed cuffs and bottom band lock in warmth
- Dropped shoulder seam for a slouchy, relaxed fit
- Size Range: XS-XXL

## Women's Gridback Fleece Snap Pullover

**WGBFSP | \$148**

Weather defying technology on the exterior, cozy-soft fleece on the interior: our Gridback Fleece is made to stand out. Designed for action, but comfortable enough to kick back in after a long day casting flies or on the trail. The Women's Gridback Snap Pullover is the latest iteration of our technical outerwear. Colorblocked and slightly cropped, this pullover is built with a stretch woven shell to provide protection from wind and rain—our go-to layer for staying warm and dry on early morning boat rides, or the perfect midlayer when the temperature drops.

### FEATURES:

- Cozy high-pile warmth for next-to-skin softness
- Wind-resistant design stands up to brisk chills
- Four-way stretch material
- Half-snap construction for easy on and off
- Colorblocked nylon overlay to stand out in the crowd
- Kangaroo pocket keeps your hands toasty
- Size Range: XS-XXL

## Women's Gridback Fleece Jacket

**WGBFJ | \$168**

One of the most coveted styles around Free Fly HQ, the Gridback Fleece Jacket is an outerwear masterpiece—an innovative combo of classic fleece comfort and streamlined weather-resistance. Our product team worked their fabric sorcery and outfitted the interior with an indulgently soft, high-pile fleece that traps and retains heat throughout gridded channels. They finished it with a bonded, stretch-weave shell that keeps out rain and wind unlike any other fleece. Lightweight and packable, it's an awesome go-to jacket for transitional seasons and warm enough to layer up when winter's at its worst.

### FEATURES:

- Cozy high-pile warmth for next-to-skin softness
- Wind-resistant design stands up to brisk chills
- Four-way stretch material
- Full zip construction for easy on/off and ventilation
- Zippered hand pockets for safely storing necessities
- Size Range: XS-XXL

## Women's Cloudshield Rain Jacket

### WRAIN | \$248

We just invented a new kind of rain jacket. Meet our whisper-quiet, 100% waterproof Cloudshield technology. Our Cloudshield Jacket gives you full waterproof protection, without the noisy, trash-bag like feel of most rain jackets. The fully seam taped, waterproof 3-layer (3L) shell features a quiet, matte face fabric, breathable waterproof membrane, and ultra-soft tricot backer for ultimate next-to-skin comfort. Structured, yet soft, you'll question its waterproofness the first time you try it—but reach for it every time the sky opens up. Layer it over our Lightweight Fleece or make it your go-to travel shell.

### FEATURES:

- 16,000mm waterproof rating
- Quiet design means no loud crinkling or swishing
- YKK Waterproof zippers prevent leaks
- Two-way stretch material
- Rear hood cinch for added stay-on security
- Zippered hand pockets
- Adjustable hem
- Tapered arms with articulated cuff
- Size Range: S-XXL
